Workplace support	Yes	Support for trade exams and theory work
What difference will you make	Learning Lessons TM are designed to enhance the adult learner's ability to learn and achieve in more formal or academic learning settings. Tools, strategies and techniques are dyslexic friendly, providing practical tuition to enable the adult learner to build a bridge between how they naturally learn and what they need to learn to pass their tests and exams. Techniques assist with: learning, memorising, reading for understanding, note taking, answering test/exam questions and writing paragraphs and essays. Additionally, many adult dyslexic learners have benefitted from learning a 'pattern' approach to spelling	In an exam or in open book assessment I read the questions to the student, transcribe/write the student's oral answer. I can assist the student to understand the theory content of their study
