

Attention: SENCO

We would like to introduce ourselves. We are Learning Differences Aotearoa Trust and we run the programme Dyslexia Support Southland which is an organised support group for specific learning difficulties.

Our goal is to support parents and caregivers, as well as schools, as they seek to provide the best learning outcomes for students with specific learning difficulties including Dyslexia, Dyscalculia, Dyspraxia, Dysgraphia and processing disorders, Auditory Processing Disorder and Irlen Syndrome.

Utilising our experience as parents and caregivers of children with specific learning difficulties and also working within that area, we understand the complexities involved in assisting children who think and learn differently through their school years.

We would like to support you as SENCO at your school with information Dyslexia Support Southland has collated. We hope you and your parents and caregivers may find this helpful.

Please find enclosed the below listed resources for your information;

SENCO information

- Contact details for Dyslexia Support Southland
- Services offered
- Profile of the group

Information for the SENCO to pass onto parents

- Dyslexia Support Southland brochures
- Growing Stars brochures
- Interventions available in Southland
- Assessment options available in Southland

If you have any queries please do not hesitate to contact me.

Kind regards,

Chris Cole
