# Interventions Information for Southland 2018

Dyslexia Support Southland has collated information of interventions available in Southland for parents, caregivers and schools to use.

Dyslexia Support Southland advises users of this form to exercise their own judgement when selecting an intervention. It is the user's responsibility to determine if the providers of the interventions are police vetted. While the information on this form is periodically updated, responsibility for accuracy lies with the providers of the interventions.

The information provided is for reference purposes only. Dyslexia Support Southland is not endorsing any of these programmes shown and have not investigated any claims made by the providers.

*Updated August 2018*
